

THE UNBRIDLED MUD TRIALS

The Unbridled Mud Trials is a five kilometer obstacle and mud race similar to a Tough Mudder competition. This will be our third annual event with previous events being a huge success. We are holding the third Annual Unbridled Mud Run event in Chilliwack this Sept 26, 2015. This is a family friendly event open to ages 6 and up promoting getting out, getting active, staying healthy and having fun doing it.

We are working to raise funds that will allow us to put on an event that will match the standards of events held in Vancouver that will attract people from all over our city and the Valley. Island 22 Park in Chilliwack, offers something that no other mud/obstacle race offers – spectator viewing at 80% of the obstacles. This gives all business involved maximum exposure of their company.

We have two levels of sponsorships available and are hoping that one of them fits your company's budget. As per our Society mandate all funds raised get returned to the park in the form of trail maintenance and upgrading, or in new projects to improve and expand the parks facilities for all its users.

This event is hosted by the Island 22 Equestrian Park Society.

Without sponsorship, we will not be able to provide this event. We believe that Chilliwack has an opportunity to provide an amazing family event that will continue to inspire and encourage people to get out and get active.

Thank you for considering a sponsorship to our event. We know Chilliwack will benefit from your involvement.
